

## 10 EASY WAYS TO RAISE \$100

1. Ask! Ask! Ask! The easiest way to raise money is to ask your friends, co workers, family, neighbors and your contacts. Remember that you are not asking for yourself, you are asking on behalf of the National Multiple Sclerosis Society and those with MS.
2. Do a \$20 self pledge and ask 4 friends for \$20 each.
3. Ask 10 friends for \$10
4. Ask 20 friends for \$5
5. Send a letter to family and friends, explaining what Bike MS is about and ask for a donation. Suggestion: Always ask for more than you expect. Example: If you want \$25, ask for \$50. Be sure to include a need by date.
6. Corporate Matching Gift: See if your company will match the amount of pledges you receive. Don't forget about your donor's company. Ask your donor if their company will match their donation to you.
7. Online fundraising: Quick and Easy! Set up your account and send "Sponsor me emails" to your list of potential sponsors.
8. Host a fundraising dinner at your local favorite restaurant. See if your favorite local restaurant will host a dinner for you. CPK, Rubios and more will donate a certain percentage (look for 20%) of the nights' total proceeds. Use posters to advertise this night. Make sure your team, friends, and family know about it.
9. Garage Sale: Gather up all the stuff that has been hanging around your house and ask your friends to do the same. Create signs and let people know the money raised that day is going to the National MS Society. See if they want to make a donation in addition!
10. House Party: Host a "Stay in" movie night, Spaghetti Dinner, Wine tasting, book club for a cause, the possibilities are endless. Supply food and ask for donations at the door.
